

# **SUPERVISED RELEASE: A TWO-PART CJA/FPD CLE SEMINAR**

**Presented by Dan Hansmeier, Appellate Chief**

## **DAY 1: Supervised Release at Initial Sentencing Hearings**

The first half of this Supervised Release seminar will focus on issues that arise before your client heads to prison, including what conditions are mandatory, what to watch out for in written plea agreements, how and when to effectively challenge proposed conditions, how to incorporate suggested conditions in negotiations, and appeals of imposed conditions.

**August 27, 2021**

## **DAY 2: Serving a Term of Supervised Release (& Revocation Proceedings)**

Being out of prison and on supervised release raises a new set of issues for clients. This session will explore the SRV statutory scheme, ideas on how to help your client avoid violation proceedings, options that are available to the Court, evidentiary standards at SRV hearings, how and who to negotiate with in SRV proceedings, and preserving issues arising from SRV hearings. When and how to move for early termination of supervision will also be discussed.
